

Senior Associate, Strand Boyce Associates

About the Position

As a Senior Associate with Strand Boyce Associates, CPAs, Inc. you will use your tax knowledge in individual, corporations, s-corporations, partnerships, and limited liability companies to work with clients in a variety of industries. You will work closely with the Principals and the other team members to establish and maintain business relationships, and deliver exceptional client service.

The successful candidate will possess the ability to manage multiple functions, seamlessly switch from audit, tax, or accounting questions and tasks, and thrive in that environment.

At Strand Boyce Associates every project provides an opportunity to learn. You will be part of a learning culture where questions and knowledge sharing are rewarded.

In this position you will:

- Prepare individual, partnership, corporation, s-corporation, and not-for-profit tax returns on a timely and efficient basis
- Prepare other tax compliance forms
- Prepare business property tax statements
- Prepare financial statements and perform financial audits
- Understand the client's business objectives and perform tax research with a view of alternatives to satisfy those objectives
- Assist and support client accounting and bookkeeping personnel, as needed
- Prepare client correspondence including tax recommendations and tax technical issues Prepare tax correspondence to the IRS and state tax agencies
- Contribute new ideas within the team and at team meetings
- Keeps up to date with new laws associated with individual and entity taxes.
- Manage project statuses and budgets to achieve timely and efficient completion
- Evaluate software and tax work flow options
- Summarize complex financial information into useful, understandable and readable financial reports
- Evaluate facts, research rules and conclude in writing regarding the appropriate tax or accounting treatments

The Senior Associate position requires:

1. At least three years of experience doing financial statement and income tax return preparation.
2. Bachelors degree
3. CPA or CPA candidate preferred
4. Ability to pass a background check
5. Proficiency with technology, including MS Office, tax, accounting, and research software, and working knowledge of Quickbooks

The position offers

1. Competitive salary
2. Flexible schedule
3. Vacation, PTO, and holiday pay
4. Education and training
5. Tuition reimbursement
6. 401K
7. Health, dental and vision insurance
8. Group term life insurance
